The New Look of Lawrenceville Gardens

At the time of printing, nearly all of you will have had your new windows installed. So far feedback has been very positive and we hope you enjoy them. You may have also noticed the brand new entry door installed in the office as well as a growing number of bay windows throughout the property. All of these improvements give the property a new atmosphere and will be part of a continued effort to better serve you, the resident.

**Remember, it's not too late
to sign up for a bay window!**

Website Changes to Follow

Continuing with our theme of change, the website will soon be updated to highlight the new appearance of the property and we look forward to offering a virtual tour of the property in addition to the tours of the apartments. Due to inactivity, I'm also planning to de-integrate the Community Forum from the rest of the website or possibly remove it entirely. If you want them to stay, sign in to the forum at www.lawrencevilleapartments.com/lvgforum and tell me!

If you have any additional ideas on how the website can be improved or any additional features you would like to see, please e-mail them to me at spayne@mmgtco.com

Thanksgiving is right around the corner, so here's a recipe to make your own cranberry sauce. It's not just good, it's good for you!

Cranberry Sauce

Ingredients

2 cups fresh cranberries
1/2 cup apple or orange juice
1/2 cup honey
1/2 grated orange rind

Directions

Mix cranberries, juice, and honey in a pot.
Cook on low heat for about 5 minutes, until cranberries pop. Remove from heat.
Stir in orange rind.
Let cool at room temperature, then refrigerate or can.

We would like to welcome our new neighbors in the following units:

**L19, L2, J6, J2, F1,
E5, A12, K6**

- "Wado" is Cherokee for "Thank you."
- Thanksgiving was held twice in 1815.
- Wild Turkeys have a 270 degree field of vision and can run at up to 20 miles per hour.

Now you know, and knowing is half the battle!
